Welcome to the Adventure

The story of the *missio dei*, or mission of God, stands at the very heart of everything we do at AGTS. It is the story our students hear from the moment they enter AGTS, and it is the story they will tell for the rest of their lives. It is a story of adventure, intrepid journey and daring experience. It calls us to risk everything while guaranteeing that we have nothing to lose and a kingdom to gain.

The curriculum at AGTS is designed to prepare students for leadership in the adventure of God’s mission. We are seeking to shape servant leaders with knowledge, skill and passion to revitalize the church and evangelize the world in the power of the Spirit.

As you read this catalog, you will read a story about a river, a bridge, a vehicle and a road. They are the elements of a story that will become your story, and they will make your mission the fulfillment of God’s mission.

Message From the President

These opening years of the 21st century are a time marked by increased worldwide violence, uncertain economies and unprecedented change. The full impact of globalization is just beginning to be felt, and it signals daunting changes for us all. But for the church empowered and led by the Spirit, the words of Jehovah God recorded by the prophet Isaiah give hope confidence.

“I revealed myself to those who did not ask for me; I was found by those who did not seek me. To a nation that did not call on my name, I said, Here am I, here am I.” (Isaiah 65:1, NIV)

The missionary God we serve is going to demonstrate his redeeming power in places we never dreamed possible and through means that will astound us all. At AGTS we anticipate the journey into exciting challenges, because the task of developing leaders for this unfolding harvest is why this seminary exists.

AGTS is not engaged in educating students for a good job, success or social status. We are forming Pentecostal leaders who are able to call people to repentance, create communities that offer a glimpse of what Kingdom life really looks like, and make disciples of all nations. Our mission gets its impetus from God’s mission.

We want to stimulate, strengthen and develop more Pentecostal leaders to win the world to Christ. The men and women we train embody a hunger for God, integrity of character, confidence in proclamation and creativity in ministry. We are ready and willing to train Pentecostal leaders for the third millennium.

Byron D. Klaus, D.Min.
President

Elements of the AGTS Curriculum

The curriculum at AGTS is designed to form habits of theological reflection based on a deep sense of the mission of God in Christ by the Spirit through the church. In order to form these habits, the curriculum consists of coursework organized according to four metaphorical images:

The River

The multidisciplinary core of our curriculum is named the River because it covers the flow of salvation history from the beginnings of biblical revelation to the present.

The Bridge

The practical theology component is called the Bridge because it serves as a bridge from theological understanding to ministerial practice.

The Vehicle

Academic specialities are known as the Vehicle, because they provide the expertise in a particular branch of theological studies or ministerial practice that will help you get where you are going in ministry.

The Road

The Road refers to supervised field education encounters, providing pathways into the world where true praxis, the union of theological reflection and practical ministry, occurs.

The academic degree programs of AGTS put these elements together in combinations specially designed to help you get the education and training you need to make the most of your calling and to prepare you for confidence in the midst of missional endeavor.

The Master of Divinity Degree

The Master of Divinity (M.Div.) degree program is designed to form habits of theological reflection based on a deep sense of God’s Mission in the world. These habits should result in serious commitment to the church and its mission. Such reflection begins with a vibrant encounter with God that creates a personal relationship of faith. Adequate theological reflection requires the acquisition of interpretive skills for understanding and living out the teachings of the Scriptures and learning from the collective experience of Christians in other times and places. Obviously, without a broad and integrated base of knowledge, students will not develop an integrated Christian worldview that makes enlightened theological reflection possible. Reflection, however, is not enough. Because AGTS desires to form organic intellectuals rather than arm-chair thinkers, theological reflection inherently involves thinking on one’s feet in the course of ministerial activity. To make this kind of reflective action possible, students will develop creative practical ministry skills and the confidence to put them to work in ministry. Finally, and most importantly, students will devote themselves to spiritual formation that results in a lifetime of passionate, Spirit-filled service to God and neighbor. The M.Div. degree is also designed to prepare students fully for further graduate studies at the Ph.D. or D.Min. levels.

M.Div. Degree Components and Requirements

The M.Div. degree is the flagship degree for theological education and ministerial training. It provides a thorough education across the theological disciplines of biblical studies, theology, Church history, missions and practical theology to furnish men and women for pastoral leadership in church ministry, as well as providing an academic specialty that prepares students for continued graduate work in Ph.D. and D.Min. programs. At AGTS, the M.Div. degree requires 90 credits of study in four major components.

These curricular components prescribe required coursework and electives, and students exercise choice though the specialties they choose for the Vehicle component. The requirements of each of the components are as follows:
The River (12 Credits)

The *River* begins with the course *The Mission of God in Biblical & Contemporary Contexts*. This course explores the Biblical theology of mission and its importance for authentic Pentecostal ministry in today’s world and flows into three additional courses that take an integrative approach to understanding the history of salvation as God has been working it out in human affairs through the church. In each of these courses, specific periods of the church’s history are examined through each of five interpretive lenses:

1. history, philosophy and culture;
2. biblical interpretation;
3. theological controversies and contributions;
4. ministry, spiritual formation, evangelism and missions; and
5. application to ministry in today’s world.

The four courses that make up the *River* are:

- BTH/MHT 501 The Mission of God in Biblical and Contemporary Contexts 3
- HIS/THE/MHT 502 Ancient Christianity to the Challenge of Islam (100-800 AD) 3
- HIS/THE/MHT 601 Christianity to the Reformation (800-1650 AD) 3
- HIS/THE/MHT 701 Christianity in the Modern and Postmodern Eras (1650-Present) 3

Students should not take more than two *River* courses per semester.

The Bridge (30 credits)

Knowledge without skill is useless, just as skill without knowledge is shallow. Both are hollow without the anointing of the Holy Spirit. The *Bridge* integrates the knowledge developed in the study of the basic theological disciplines with practical ministry skills under the guidance of Spirit-filled professors in order to form theologically reflective Pentecostal ministers. The required courses in the *Bridge* focus on skills that are considered to be essential for effective ministry.

- HOM 529 Communicating the Message I 3
- HOM 633 Communicating the Message II 3
- MCS 529 Foundations for Cross-Cultural Ministry 3
- PTH 544 The Spiritual Formation of the Minister 3

**Total 30**

1 Course requires prerequisite. See course description.
2 A student who pursues the Intercultural Ministries Track should take another missions elective (MCC, MCS, MHT, MSS) instead of Foundations for Cross-Cultural Ministry.

The Road (9 credits)

The *Road* begins with practical ministry during seminary studies and continues on throughout students’ future ministries. As a formal curricular component, the *Road* includes two supervised practicums. Each of these practicums will involve a two-week stay at an AGTS-approved church, college, campus ministry,
chaplaincy setting or other ministry. Students will have the opportunity to experience the inner workings of these outstanding ministries within the context of a personal relationship with a seasoned Christian leader. Longer, more traditional internships or supervised professional ministry may satisfy one of the practicum requirements. At least one of the Road practicums must be completed in the context of a local church. Students will also be required to take a denominational polity course and will be encouraged to obtain ministerial credentials during their time at the seminary.

Students who choose a concentration in Intercultural Ministries may complete two three-credit or a one six-credit Global Missions practicum(s).

- History and Polity of the Assemblies of God* 3
- Practicum(s) (Select one of the following:) 6
  - CE 548, CE 639, MSS 641, PCP 639,
  - PTH 638, PTH 639, PTH 644, PTH 646

*Students from other denominations or churches may substitute a different polity course or take HIS 528 Pentecostal and Charismatic Movements. Students who have had a course in their undergraduate program in the history and polity of the Assemblies of God may take HIS 528 Pentecostal and Charismatic Movements.

As a result, AGTS has a very large number of graduates serving in chaplaincy positions and a wonderful reputation in the U.S. armed forces. We train more military chaplains than any seminary in the United States, and the large group of chaplaincy candidates at AGTS creates a community of learning that is unique and ideal for creating a network of relationships that will persist for decades of future ministry.

The following track provides a course of studies that is specifically designed to prepare chaplains for the wide range of duties and skills required in military/institutional ministry.

The paper will summarize the student’s growth experience while at the seminary in relationship to the ministry contemplated. Guidelines are available from the faculty secretary.

**Biblical Language Requirements**

Introductory coursework in biblical languages is a prerequisite for M.Div. studies at AGTS. Therefore, the first six credits of 12 required credits in these languages do not apply toward the degree. Students without these credits in a biblical language may take both Hebrew and Greek, completing 12 credits of 500 level courses, or they can choose either Hebrew or Greek, taking six credits at the 500 level and six credits at the 600 level. In either case, only six credits of the total 12 may be applied to the M.Div. degree program. Students with six credits of undergraduate studies in Greek or Hebrew are encouraged to proceed to take six credits at the 600 level.
Distance Learning

A limited number of courses may be taken through directed research or distance learning (see Distance Learning Courses).

M.Div. Reduction

Students who have earned a significant number of credits in religious studies from approved colleges and universities may request exemption from certain required courses in the M.Div. degree program. Life experience does not qualify for program reduction. (See registrar for further details.)

The following rules apply to M.Div. program reductions:

1. Reductions granted cannot exceed 15 credits.
2. Reductions are considered for undergraduate courses with satisfactory parallel content, provided the equivalent collegiate courses are double the credit value of the seminary’s courses. A minimum grade of B is required and the student must be able to demonstrate competency in subject matter by presentation of Course Reduction Portfolios for each course for which reduction is desired. A fee of $50 per course will be charged for each portfolio that is evaluated, regardless of whether or not the reduction is granted.
3. All program reductions must be requested prior to enrollment but no later than the end of the student’s first semester of study at AGTS. Requests should be submitted to the Registrar’s Office.
4. Partial course reductions will not be granted.
5. If the student later takes a course that has been reduced, the reduction would be nullified.
6. Courses that will be considered for program reduction are: Foundations of Biblical Theology or equivalent, Hermeneutics, Mission of God in Biblical & Contemporary Contexts or equivalent, New Testament Theology, Old Testament Theology, Old Testament or New Testament Introduction*, Systematic Theology I, Systematic Theology II, Communicating the Message I, The Pastoral Ministry, one Bible and/or Theology elective, one Missions course. (*May allow reduction for one course but not both.)

In an area where a student demonstrates competency but the criteria preclude a program reduction, a substitute course may be allowed if approved. (Secure appropriate form in the Registrar’s Office.)

**Course Schedule**

The program is designed so that students progress through the master’s degree in a cohort with peers. Students focus on one course at a time rather than multiple classes. Each course meets one night a week for five weeks making it possible to earn nine credits per semester. Classes meet primarily on Thursday night. View schedules and dates at www.agts.edu/degreecompletion.

New cohorts begin in the fall and spring. New courses begin in late August, October, November, January, February, March, May, June and July. Foundation courses are offered during the summer (and throughout the year in the traditional venue or by distance learning).
Master of Arts in Intercultural Ministries

The Master of Arts in Intercultural Ministries (M.A.I.M.) degree program is designed to form leaders with a thorough understanding of God’s mission for the Church and the interpersonal and intercultural communication skills essential for productive ministry in cross-cultural settings. The program helps students integrate anthropology, psychology, sociology and theology to inform the task of world evangelization and the planting and nurturing of the Church. It also trains missionaries and other cross-cultural workers for roles in theological education and the development of leaders.

Degree Components and Requirements

The M.A.I.M. consists of 60 credits. Students who have taken an undergraduate religion major may petition to reduce the foundation courses, reducing the degree from 60 credits to 48.

The River (12 Credits)

The four courses that make up the River are:

- BTH/MHT 501 The Mission of God in Biblical and Contemporary Contexts 3
- HIS/MHT/THE 502 Ancient Christianity to the Challenge of Islam (100-800 AD) 3
- HIS/MHT/THE 601 Christianity to the Reformation (800-1650 AD) 3
- HIS/MHT/THE 701 Christianity in the Modern and Postmodern Eras (1650-Present) 3

The Vehicle (42 Credits)

The Vehicle component of the M.A.I.M. degree is structured as follows:

**Required Missions Courses (9 credits)**

- MHT 635 Pentecostal Theology of Leadership Development 3
- MCS/MHT 642 Contextualized Theology 3
- MSC/MHT 643 Anthropology & Communication Theological Perspective 3

**Tracks (12 credits)**

Students may choose from four tracks in missions studies: Intercultural Ministries, Global Missions Track, Mental Health and Muslim Ministries.

**Intercultural Ministries Track**

This track consists of twelve credits of electives chosen from courses numbered with the prefixes MCC, MCS, MHT and MSS. It provides a solid academic basis for ministry in a missions context or for further missions studies at the doctoral level. A student in the M.A.I.M. who wishes to apply for AG credentials may take HIS 532 History and Polity of the Assemblies of God as a missions elective.

**Global Missions Track (GMT)**

The GMT permits students to pursue a significant portion of their degree outside the context of normal, on-campus studies, allowing them to live, learn and develop ministry skills in a cross-cultural setting (whether in a foreign country or the United States). The experience is designed to guide the student in developing the cultural fluency necessary for effective ministry in today's globalized and multicultural world.

Students must complete twelve credits of graduate-level studies in an AGTS-approved institution which can be transferred back to fulfill the degree requirements at AGTS. The courses taken under the GMT may be in fields of study other than Intercultural Ministries, but require the prior approval of the assigned AGTS mentor in consultation with the academic dean of AGTS.

In addition to classroom curriculum, the student is expected to be involved in the fullest possible range of campus, student life and student ministry activities. The host culture(s) is to be experienced and learned through participation. The student will be encouraged to risk moving away from his or her cultural comfort zone to explore the adventure of getting into the “skin” of another culture. The GMT student journal should reflect an intentional involvement in and engagement of the cross-cultural experience.

**Mental Health Track**

- MCS/PCP 622 Post-Traumatic Stress Disorder 3
- MCS/PCP 629 Counseling Diverse Populations 3
- MCS/PTH 654 Sociology of Christian Ministry 3

**One of the following:**

- PCP 662 Child and Adolescent Psychopathology 3
- PCP 663 Psychopathology 3
Muslim Ministry Track

Islam is one of the world’s fastest growing religions, with over 1.25 billion adherents— one-fifth of the world’s population. While Islam advances at an alarming rate, it remains resistant to the gospel. The Church must address this challenge. The Muslim Ministry Concentration provides the opportunity to develop competencies essential for effective ministry to Muslims. Muslim ministry courses are taught in a modular format—usually one or two weeks—on the AGTS campus and at selected extension sites. Professors will be members of the AGTS faculty, Center for Ministry to Muslims and visiting professors of Islamics. Required courses are:

- MCS 545 Introduction to Islam 3
- MHT 649 Christian-Muslim Theological Issues 3
- MSS 643 Church Ministry in the Muslim Context 3

One of the following:
- MCS 551 Folk Islam 3
- MCS 552 Women in Islam
- MCS 553 Islam in the United States
- MHT 552 Power Encounter
- MSS 552 Approaches to Muslims

1 Students with a strong undergraduate program in religion may petition to reduce up to 12 credits of the foundation courses.
2 Course requires prerequisite. See course description.

The Road (6 credits)

The Road component of the M.A.I.M. degree does not require a course in denominational polity and includes a special six-credit cross-cultural practicum. Students who choose the Muslim Ministries concentration must complete their practicum in a Muslim context. This practicum requires a pre-session orientation, a post-session assessment and an approved, supervised cross-cultural involvement. The practicum will usually be completed in a two to four week time frame and should normally be scheduled during the summer recess. An exception may be granted to allow the practicum to be scheduled during the course of a regular semester.

In addition to appointing an on-field supervisor, AGTS will assign an inhouse mentor to prepare the student for the practicum, and facilitate the understanding and synthesizing of the experience. The student is required to keep a daily journal of experiences. This journal will be utilized in the writing of a reflection paper which the student will present in a final debriefing session at AGTS.

The length of time required for securing AGWM approvals, communicating with a mentor, getting immunizations and visas, and raising funds for Global Missions Track participants affects the application deadlines for intercultural practicums (see Resident Academic Calendar). Late applications will be approved or denied at the discretion of the GMT Committee.

Graduation Requirements

In addition to the general requirements for graduation, the student must pass a comprehensive examination based on competencies in key areas within the disciplines of missiology. Students who receive a grade of “unsatisfactory” may retake the examination following a three-week study period.
Policy For Retakes

Students failing the retake must fulfill one of the following options:

a) Officially audit a course covering the competency in which the student’s performance was “unsatisfactory.” Retake and pass a comprehensive question dealing with that competency.
b) Take the course for credit by directed research or in residence. The course will be graded satisfactory, marginal or unsatisfactory

Distance Learning

A limited number of courses may be taken through directed research or distance learning (see Distance Learning Courses).
**Master of Arts in Counseling**

The Master of Arts in Counseling (M.A.C.) is designed to prepare Christian counselors to serve in the Church or community settings as licensed professional counselors and/or marriage and family therapists. The program prepares qualified graduates to practice in one or both of these counseling concentrations with appropriate professional and legal recognition and in an informed ethical, legal and professional manner. It also prepares students to integrate biblical, theological and psychological insights into effective counseling ministry, stimulate the development of personal maturity, self-understanding and interpersonal sensitivity.

**Degree Components and Requirements**

The M.A.C. offers four counseling concentrations: Marriage and Family Therapy (MFT), Licensed Professional Counseling (LPC), LPC/MFT Dual Concentration or Intercultural Ministries. The Dual Concentration is offered to prepare graduates for possible licensure or certification in both marriage and family therapy and licensed professional counseling. The M.A.C. requires 60-75 credits consisting of three elements:

- 12 credits of foundation courses, nine of which may be reduced if the student has a strong undergraduate program in religion,
- 18 credits of required coursework in psychology and counseling, and
- 30-45 credits in an area of concentration.

In the first year of their seminary education experience, students are required to attend a minimum of 10 personal growth therapy sessions (at their own expense) with a departmentally approved therapist.

Counseling Licensure

Students should note that in both the Professional Counseling and Marriage and Family Therapy concentrations, state licensure and professional recognition have additional requirements after completion of a graduate degree. These requirements include a specific number of hours of counseling under the clinical supervision of an approved supervisor and, in most states, the successful completion of a qualifying examination in the area of concentration.

Some states may require additional course work as well. Students are advised to determine the specific requirements in the state in which they plan to practice. In all cases, the prerogative of professional recognition rests with the membership committee of the professional association or state regulatory agency.

Students who want to pursue doctoral studies in the area of counseling may find this degree to be helpful preparation for those studies, but should discuss that possibility with the institution where they plan to do their doctoral studies.

Practicums

The specific practicums required for each concentration are delineated in each degree program. Since practicums are designed to allow for the application of the principles and procedures studied in other courses, a sufficient academic foundation must be demonstrated prior to entering the counseling practicums. Timing is crucial and students should begin planning their practicums early in the academic program. Approval for a practicum must be secured through an interview scheduled with the counseling practicum adviser. Students will subsequently pursue individually attained placement upon approval. Registration for a practicum must be completed by the pre-registration date for the semester in which the practicum is to be taken. Practicums will be graded satisfactory, marginal or unsatisfactory. A fee of $250 is assessed to students enrolled in counseling practicums.

Graduation Requirements

In addition to the general requirements for graduation, the student must pass a written comprehensive examination before the degree is awarded. Students who fail the comprehensive examination will be allowed to retake the exam following a three-week study period.

Policy For Retakes

Students failing the exam retake must audit or enroll in designated and approved courses, then retake and pass the exam. In the event of failure on the second retake, the student may not repeat the exam without an approved, rigorous remedial program.

Distance Learning

Due to state licensing requirements, counseling majors are advised not to take courses by distance learning or directed research. Some exceptions may be approved through the academic adviser for Bible or theology courses.
Continuing Education

The Office of Continuing Education seeks to enhance the effectiveness of ministers through classroom sessions, conferences and seminars, distance learning and modular sessions. It also serves to facilitate lifelong learning and renewal for ministers and church leaders.

Program Design

Classroom sessions are scheduled at strategic locations, utilizing the facilities of selected colleges, as well as the resident AGTS campus. Sessions consist of a variety of class schedules supported by pre-session and post-session assignments.

Individuals who are engaged in full-time ministry or other employment are normally allowed to take up to 20 credits during an academic year through the Continuing Education program. Branch campus participants may take up to 30 credits per academic year.

Branch Campuses

- AGTS Main Campus, Springfield, Missouri
- Southwest Region Branch Campus, Arizona
- Southeast Region Branch Campus, Florida
- North Central Region Branch Campus, Minnesota
- Northeast Region Branch Campus, Pennsylvania
- Northwest Region Branch Campus, Washington

Programs

The Office of Continuing Education offers the following programs:

Master of Arts in Christian Ministries

A 48-60 hour degree program, dependent upon whether the individual has an appropriate religion major. This is the only master’s degree offered by AGTS which may be completed entirely at one of the branch campuses. Up to one-third of the required credits may be earned through the Distance Learning Courses.

Master of Divinity In-Service Track

A 75-90 hour degree program, dependent upon the individual’s previous academic work (see M.Div. Reduction). One-third of the required credits must be taken at the main campus (this requirement may be satisfied by attending one-week modular classes, summer sessions or full-length semesters). Up to one-third of the required credits may be earned through the Distance Learning Courses.
Distance Learning Courses

enables individuals to earn credits toward a graduate degree without traveling to any of the participating campuses. Participants study selected subjects through lectures on audio CD, video, DVD and online courses supplemented by directed reading and research assignments, under the direction of faculty mentors. As many as one-third of the required credits in any AGTS degree may be earned through distance learning or directed research (other advanced standing credit may limit the number of allowable hours).

Continuing Education Nondegree (Audit)

courses taken on a noncredit basis at one quarter the regular tuition rate. They offer continuing education for individuals who do not wish to pursue a degree. Please note that courses audited cannot be changed to credit.

National Association of Church Business Administration

AGTS is a Certification Center (provisional status) for the National Association of Church Business Administration (NACBA) and offers seminars leading to certification by NACBA as a Fellow in Church Business Administration. By special arrangement, these seminars may also be taken for graduate credit at AGTS. For additional information on the NACBA certification program, contact the AGTS Continuing Education Office.

Note: Credits earned in the Continuing Education program may be applied to resident programs (see Advanced Standing).

Admission Requirements

Individuals are expected to complete the requirements for their degree under the catalog in effect at the time of initial degree candidacy. They may elect to meet modifications in the program announced in subsequent catalogs if approved. (Contact Registrar’s Office for approval process.)

All requirements for the M.A.C.M. degree through Continuing Education must be completed within six years. Active missionaries must complete their degree within 10 years.

Admission Procedure

Applicants for admission must submit the following to the Enrollment Office:

1. Application, photograph and a nonrefundable fee of $35 (see www.agts.edu for online application).
2. Official certified copies of transcripts from all post-secondary schools attended, sent directly by the schools to the seminary.
3. Personal/ministerial references from two individuals who have known you at least three years or more.
4. All participants in the AGTS Continuing Education program are required to read the AGTS Continuing Education Handbook which spells out the policies and procedures for the Continuing Education program. The handbook is published online, but is available in print upon request.
5. Applicants whose first language is not English must submit TOEFL exam scores (see Application Procedure).
Concurrent Enrollment

Participants in the Continuing Education program who are interested in concurrent enrollment in another seminary or graduate school for the purpose of transferring credits to AGTS toward the M.A.C.M. or the M.Div. In-Service must secure approval in advance from the academic dean (contact the Registrar’s Office) (see Advanced Standing).

Course Selection Procedure

For the schedule and course selection form visit www.agts.edu. For other information regarding the Continuing Education programs, contact the Office of Continuing Education.

To enroll in a course, submit a completed selection form (available at www.agts.edu).

Tuition and Fees

Every effort is made to keep costs of the Continuing Education program as reasonable as possible without jeopardizing the excellence of the program. (See Financial Information.) Financial assistance is available to qualified applicants. For more information contact the Continuing Education Office or the Financial Aid Office.

Graduation Requirements

In addition to the general requirements for graduation, a portfolio review may be required.

Master of Arts in Christian Ministries

The Master of Arts in Christian Ministries (M.A.C.M.) is designed to provide advanced biblical, theological and practical training for individuals who desire to enhance their ministry skills. It equips ministers to become life-long learners and to develop models of personal and professional growth. It differs from the M.Div. degree in that it provides no academic concentration which would prepare students for ongoing graduate degrees at the Ph.D. or D.Min. levels.

M.A.C.M. Degree Components and Requirements

The Continuing Education version of the M.A.C.M. can be completed by any student, regardless of the field of their undergraduate degree. Students with a religion major may be allowed to reduce the degree requirements from 60 credits to 48. At the end of their program, students are required to present an integrative project that ties together their whole educational experience and projects the meaning of their studies for their future ministry. The general requirements for graduation apply as well.

This degree curriculum differs from that of the resident M.A.C.M. in that it does not included the new elements of the River, Bridge, Road and Vehicle and will not do so for several more years. The
requirements for this degree as stated in this catalog will remain for the duration of the students program.

Doctor of Ministry

Shaping the Future of Pentecostal Leadership

The Doctor of Ministry (D.Min.) is a professional degree program intended for men and women who are actively engaged in full-time Christian ministry. The primary purpose of the program is to enhance the participants’ professional competence in the particular area of their gifts and calling. The program aims to be practical in nature while at the same time maintaining the highest academic standards for theological reflection on the practice of ministry. The program seeks to integrate learning into the context of each participant’s ministry and can be shaped to meet individual needs. Opportunities for personal and spiritual growth are woven into the fabric of the entire program.

The focus of this program is developing strong Pentecostal ministers. Today’s vital and growing ministries are demanding Spirit-anointed, effective leadership. If leaders expect to remain on the cutting edge of complex, demanding and ever changing ministry, they must prepare themselves now. The D.Min. program is designed to equip participants to be “leaders worth following.”

CURRICULAR DESIGN

CORE COURSES: three introductory courses will deal with the issues of the minister’s interior life, Pentecostal theology of ministry and place in the broader historical context of the global movement.

MINISTRY CONCENTRATIONS: Following three Core courses, each participant may select one of four Concentrations providing focused study of several types of ministry: Missional Leadership, Biblical Preaching, Military Chaplaincy or Self-Designed Study.

COHORT FORMAT: Each participant will join a cohort for the duration of the program. The cohort will study together for the Concentration phase of the program (5 courses spanning a year and a half) allowing deep and meaningful relationships to be formed. “As iron sharpens iron” the cohort provides an incredible peer learning environment—one that will challenge and motivate participants to take their spirituality and ministries to the next level.

PROFESSIONAL PROJECT: the participant’s ministry context will be the subject of a professional project at the conclusion of the Concentration phase. A Project Design course will prepare the participant for the project writing process, with the published work be available globally on the ProQuest database.

PROGRAM GOALS

The D.Min. experience focuses on giving participants the opportunity to expand their influence by growing into ministers who are:

- **Self-Aware**: a consistent commitment to cultivating the disciplines of self-leadership, personal spirituality and integrity;
- **Holistically Pentecostal**: a deepening historical and theological appreciation of the Pentecostal-Charismatic tradition leading to a distinctively Spirit-empowered ministry;
• **Professionally Mature:** an increasing competency for effective leadership, preaching, military chaplaincy or other ministry;
• **Academically Integrative:** a growing ability to utilize the insights of both biblical and practical theology, as well as the social and behavioral sciences;
• **Globally Aware:** an expanding awareness of the implications of globalization for Christian ministry;
• **Peer Networking:** a mutual benefit of long-term personal connections with other ministry professionals;
• **Missionally Engaged:** a renewed emphasis on the priorities of evangelism and world mission within the overall ministry of the church;
• **Research Contributors:** an enduring service to the larger Church through the publication of a Professional Project;
• **Published Authors:** a broader audience reached through the development of professional writing skills.

MASTER OF DIVINITY EQUIVALENCY

Master of Divinity equivalency is defined as the completion of 72 semester credits of graduate studies in categories closely parallel to the M.Div. curriculum at AGTS. No credit for life experience will be granted.

AGTS will recognize M.Div. equivalency credits from any institution recognized by the U.S. Department of Higher Education or foreign accrediting body, as long as at least one master’s degree was received from an ATS/CHEA accredited institution or an institution recognized by an approved foreign accrediting body. Students submitting course credits for review must have earned a minimum “B” average GPA (3.0 on a 4.0 scale). Official transcripts must be received by the Registrar’s Office before consideration for credit will be given.

AGTS will recognize equivalency credit for up to 36 credits which have been earned through correspondence/distance learning. Students seeking M.Div. equivalency credit for more than 36 credits will be referred to the Admissions Committee. AGTS will recognize M.Div. equivalency credit for valid/supervised pastoral clinical education. The institution and credit must be recognized by the Association for Clinical Pastoral Education, Inc. accreditation commission.

At your request an equivalency evaluation will be completed by the D.Min. Office upon receipt of your transcripts. Applicants who do not have an M.Div. degree may satisfy equivalency by taking courses prescribed by the D.Min. Office. AGTS offers a number of independent study, online and extension courses which may be taken to meet such a deficiency. The FasTrak delivery system offers an accelerated way for MA-holders to achieve M.Div Equivalency. Contact the D.Min. Office about FasTrak or see the Doctor of Ministry web site for more information. Courses fulfilling equivalency requirements will not count toward the requirements of the D.Min. degree and must be completed prior to admittance into the D.Min. program.

MINISTRY REQUIREMENT

Each participant must remain involved in full-time ministry throughout the duration of the program. Any participant who leaves the ministry for any reason while pursuing the D.Min. degree must petition the D.Min. Committee for continuation in the program.

PROFESSIONAL PROJECT

The professional project is the culmination of the D.Min. experience in which the ideas and applications
of the program are measured and evaluated. For further information on the project guidelines contact the D.Min. Office.

PROGRAM DURATION
The degree will normally require approximately four years to complete, including the project. This schedule is set to avoid unnecessary pressure on the participant’s responsibilities to family and ministry. Participants are required to complete the degree within six years beginning from the date of their first attendance in a doctoral course. In some cases an extension may be granted (e.g., for those on overseas assignment). Any extensions will be granted by the D.Min. Committee. Extensions require a continuation fee.

TRANSFER CREDITS
An individual may transfer in a total of six advanced standing doctoral credits. Individual appeals for transfer credits will be evaluated based upon the following considerations:

1. Transfer credits must be from ATS/CHEA accredited institutions or those recognized by an approved foreign accrediting body.
2. Student must have earned a passing grade of “B” or higher (3.0 on a 4.0 scale).
3. Transfer credits must be relevant to the D.Min. degree.
4. Recent time frame of courses taken will be reviewed.
5. Extenuating circumstances of the participant will be considered (e.g., missionary in a situation that makes it difficult to take courses in a timely fashion.)

AGTS will accept up to six (6) doctoral credits for valid/supervised pastoral clinical education if taken beyond the M.Div. The institution and credit must be recognized by the Association for Clinical Pastoral Education, Inc. accreditation commission. Clinical education credits transferred into a participant’s MA or M.Div program may not be transferred into the D.Min.

To request advanced standing, official transcripts must be received by the Registrar’s Office before consideration for doctoral credit will be given. (Any exceptions to the standard policy must be recommended by the D.Min. Committee and approved by the Academic Affairs Committee.)

Note: The transfer of credits does not waive/change the program fee.

DOCTOR OF MINISTRY COURSES OPEN TO UNCLASSIFIED DOCTORAL LEVEL STUDENTS
A limited number of non-degree, post-M.Div. persons who are not pursuing a D.Min. degree at AGTS may be allowed to take courses if they satisfy admission requirements for the D.Min. program. Contact the D.Min. Office for further information.

“The Harvest is Plentiful”

Who will cast the vision for a new generation of Pentecostal missionaries? Who will study the times and plot the strategies, teach the students and write the books that will shape the hearts and minds of tomorrow’s missionaries? The AGTS Doctor of Missiology Program has risen to serve these leaders by:

- Enhancing missionary practice and resources
- Preparing participants to teach missiology at any level
- Building foundations for training missionaries overseas
- Equipping leaders for compassion ministries

The D.Miss. recognizes the priority of the Holy Spirit’s person and power in accomplishing the mission of God (Missio Dei) and creates an environment in which students can experience the kind of learning that connects them more deeply to the Spirit’s work in mission and allows them to focus their program on specific application of their learning in the field.

The AGTS Doctor of Missiology consists of 48 credits earned in 11 modules and a professional project or dissertation, and is built around several components:

- **Pentecostal perspective**: Distinctive emphasis on Spirit-empowered mission in a global context.
- **Lifestyle fit**: Relocating to Springfield is not necessary; in fact the D.Miss. requires only five visits to AGTS over the course of the program.
- **Cohort experience**: Learning and growth occur through the bonds formed with other career missionaries in a diverse small group setting.
- **Modular convenience**: Courses are taught in two, one-week blocks scheduled back-to-back allowing two classes on one airfare.
- **Contextualized study**: Area studies, special study with an approved educational provider and/or tutelage offer field-based training.

**Curricular Design**

Following a sequence of Core classes, the D.Miss. offers tracks in Intercultural Studies (IS) and Christian Relief and Development (RD), in addition to elective courses, and culminates in the writing of a professional project.

**Program Goals**

The Doctor of Missiology Program will provide students with:

- a deepening biblical and theological understanding of Missio Dei and the kingdom of God;
- a distinctively Pentecostal theology of intercultural ministry;
- an understanding of the historical development of the Christian movement and the participant’s role in the contemporary world;
- the ability to discern the Holy Spirit’s direction in the fulfillment of the mission of God in diverse cultural settings and to contextualize effective expressions of the Gospel;
• an emphasis on the priorities of evangelism, church planting, leadership formation, and compassion ministries;
• a continuing commitment to personal spiritual formation and growth as a member of God’s missionary people;

AGTS profile

Mission Statement

The purpose of AGTS is to train men and women to fulfill the mission of the church as taught in Scripture—*Shaping servant leaders with knowledge, skill and passion to revitalize the church and evangelize the world in the power of the Spirit.*

As a graduate-level educational institution within the evangelical and Pentecostal tradition, the seminary affirms the Bible as God’s written Word, the inspired, infallible and authoritative rule for faith and conduct. Affiliated with The General Council of the AG, the seminary’s doctrinal commitment is found in the Statement of Fundamental Truths.

In order to accomplish its purpose, the seminary, as a center for instruction and spiritual formation, seeks to achieve the following objectives:

1. To lead every student into a growing knowledge of God, based upon the redemptive work of Christ and the baptizing power of the Holy Spirit.
2. To perpetuate the distinctive Pentecostal proclamation of the supernatural power of the Holy Spirit to restore the people of God to the New Testament model of vitality and witness.
3. To create an environment in which men and women, who have been called and gifted for Christian service, may be nurtured as servant-leaders of sterling Christian character.
4. To seek excellence in all of its programs, believing that a rigorous quest for truth, effectiveness and relevance should characterize theological reflection and professional training.
5. To provide training in the professional skills necessary for the practice of ministry in a changing world, focusing on the preparation of pastors, missionaries, evangelists, military and institutional chaplains, teachers, counselors and others.
6. To foster an evangelistic and missionary emphasis with a global and multi-cultural perspective in order to equip men and women to proclaim the Gospel of Jesus Christ at home and abroad.
7. To encourage constructive engagement with society guided by the prophetic and redemptive words and deeds of Jesus Christ.
8. To serve as a scholarly resource for the AG, Pentecostal-Charismatic communities worldwide and the larger body of Christ.
9. To utilize technology and distance-education methodologies in the extension of its educational mission to Christian leaders unable to attend a resident campus.

Statement of Faith

The seminary adheres to the Statement of Fundamental Truths of the AG as indicated in Article V of the Constitution and Bylaws. In summary, we believe:

.... the Bible is the inspired and only infallible and authoritative Word of God.
.... there is one God, eternally existent in three persons: God the Father, God the Son and God the Holy Spirit.
.... in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the
Father, in His personal future return to this earth in power and glory to rule a thousand years. 
.... in the Blessed Hope—the Rapture of the Church at Christ's coming. 
.... the only means of being cleansed from sin is through repentance and faith in the precious blood of 
Christ. 
.... regeneration by the Holy Spirit is absolutely essential for personal salvation. 
.... the redemptive work of Christ on the cross provides healing of the human body in answer to believing 
prayer. 
.... the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it. 
.... in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy 
life. 
.... in the resurrection of both the saved and the lost, the one to everlasting life and the other to 
everlasting damnation.

**Pentecostal Distinctives**

The AG grew out of the global revival at the turn of the twentieth century. Dedicated to the full gospel 
message, the Assemblies have grown to become a dynamic element of what is called the Third Force of 
Christianity—the Pentecostals.

The commitment to the Pentecostal dimension of Christianity is what distinguishes the AG from other 
groups within Evangelical Christianity. Since AGTS is the denominational seminary for the AG, the 
Pentecostal distinctives are central to each of its degrees and course offerings. Each member of the AGTS 
faculty and administration is full gospel in belief and practice. This background and heritage enables 
them to present biblical and theological truths, educational and missiological strategies and methods, 
and counseling principles within the context of the Pentecostal ministry. This Pentecostal hallmark of 
AGTS permeates all of its activities and programs.

**History and Location**

The concept of a graduate school of theology and missions was originally approved by The General 
Council in session at Portland, Oregon, August 1961. After lengthy and prayerful consideration, the 
General Presbytery, in August 1971, accepted a recommendation presented jointly by the Executive 
Presbytery and the Board of Education that the school be implemented. On May 18, 1972, the General 
Presbytery adopted a preliminary constitution and bylaws and authorized establishing the school at the 
International Headquarters in Springfield, Missouri. The school was incorporated in December 1972.

The Executive Presbytery was authorized to serve as the Board of Directors of the Assemblies of God 
Graduate School. Thomas F. Zimmerman, general superintendent, was elected to serve as president. 
In August of 1984, by action of the Executive Presbytery and the General Presbytery, the school was 
renamed the Assemblies of God Theological Seminary. In December 1985, Dr. G. Raymond Carlson, 
general superintendent, was appointed president, a position he held until 1986. Dr. H. Glynn Hall served 
as president from 1987-90. Dr. Del Tarr served as president from June 1990-1999. On July 1, 1999, the 
Board of Directors appointed Dr. Byron D. Klaus, who currently serves as the seminary's fifth president.

Originally located in the headquarters complex at The General Council of the AG, the seminary in August 
1997 occupied a beautiful new facility on Glenstone Avenue adjacent to the Evangel University campus. 
Named in honor of Michael and Frances Cardone, Sr., the state-of-the-art building is entered via a spacious
“Great Hall” which strategically accents the seminary’s mission with a bronze sculpture, “The Divine Servant,” and the official seal featuring the cross, the Bible and a dove to symbolize the Holy Spirit. The William J. Seymour chapel, named for the African-American leader of the 1906 Azusa Street revival, includes beautiful stained glass windows depicting the great themes of Christian faith and Pentecostal leadership. The Khoo Kay Peng World Prayer Center incorporates a circular mural celebrating the Day of Pentecost.

The building also includes comfortable classrooms, faculty and administrative offices, the Cordas C. Burnett Library, a counseling center and a computer lab for student use. A commodious patio provides a delightful setting for relaxation, study and bag lunches on sunny days.

Springfield is an enjoyable location for pursuing graduate studies with its proximity to Ozark Mountain country. Also of great significance is the seminary’s nearness to the headquarters of The General Council of the AG. Students will have many opportunities to become familiar with the operations and resources of the church. They meet and mingle with church leaders, share ideas and build relationships for a lifetime of ministry.

Library Facilities

The Cordas C. Burnett Library is the major information resource center of AGTS. Located in the beautiful home of AGTS, the Michael & Frances Cardone, Sr. Building, this two-level facility provides students with a pleasant, quiet atmosphere and a wealth of resources for the pursuit of serious graduate study. The library has a 135,000-volume capacity and its holdings currently consist of 88,434 bound volumes, 71,856 microforms, 4,952 audiovisuals and about 500 current periodical subscriptions. These include an extensive biblical and Pentecostal studies collection and an ever-growing collection of counseling resources.

The library is committed to automation in order to provide quality service to AGTS students and other library patrons. Since 1978, the library has contracted for access to OCLC (Online Computer Library Center), a major world-wide computer-based cataloging bibliographic utility, through the Missouri Library Network Corporation (MLNC). In the fall of 1999, the library successfully implemented the Voyager Library Automated System in partnership with Evangel University library. This system is a fully integrated library automated system complete with online catalog, circulation control, cataloging, acquisitions and serials control, and administration system. The library also offers computer-assisted interlibrary loan services through OCLC. The facility includes a computer lab, equipped with 23 personal computers, five laser printers, 2 color printers and 2 scanners, for student use and provides access to productivity software, library resources and the Internet. The library also has a CD-ROM server that can be accessed from all computer terminals in the seminary. This server contains the library’s main indexing and resource tools on CD-ROM: Religious and Theological Abstracts, Family Studies Database and ERIC. Additional resources available for student use include BibleWorks, Bible Windows on CD-ROM, Greek Tutor, Hebrew Tutor, Thesaurus Linguae Graecae on CD-ROM, Historical Pentecostal Archives, Endnote, the Child Abuse, Child Welfare & Adoption database, the Brill Encyclopaedia of Islam and the complete collection of HRAF (Human Relations Area Files) on microfiche for cross-cultural and intercultural studies. The library also provides direct institutional access to eHRAF (Electronic Human Relations Area Files), UMI Pro Quest Digital Dissertations and ATLA’s Research in Ministry (RIM) Online. In addition, AGTS provides Internet access through MOREnet. This makes available several of the full-text databases of EBSCOhost, including the ATLA Religion Index, ATLA Full-Text Religion database and the APA (American Psychological Association) databases, which significantly enhance the periodicals that the library offers to students and faculty.
These resources enable AGTS students to deal effectively and efficiently with their information needs. As students grow in their experience and skill, becoming more advanced in the pursuit of these needs, the library can offer virtually unlimited access to resources through the Voyager Library System, OCLC, the Internet and Interlibrary Loan.

Furthermore, by virtue of participation in the Southwest Missouri Academic Library Cooperative and the AG Academic Library Consortium, AGTS faculty, students and staff may borrow materials from the libraries of Baptist Bible College, Central Bible College, College of the Ozarks, Cox College of Nursing, Crowder College, Drury University, Evangel University, Ozarks Technical Community College, Messenger College, Missouri Southern State College, Ozark Christian College, Southwest Baptist University, Southwest Missouri State University, Springfield Art Museum and the University of Missouri at Rolla. These cooperative efforts make well over a million volumes available to AGTS students and faculty.

**Flower Pentecostal Heritage Center**

For the study of the AG and Pentecostalism, AGTS students benefit from the museum and resources housed at the Flower Pentecostal Heritage Center in the headquarters complex of the AG. The holdings focus on the history of the AG, but also include related materials on the Pentecostal, Charismatic and Evangelical traditions. The available correspondence, reports, published and unpublished histories, periodicals, news clips, personal papers, diaries, photographs, audiovisual materials (including oral histories), committee notes and minutes, memorabilia and other items make it one of the foremost archives for the study of Pentecostalism in North America. The center also publishes the quarterly *Assemblies of God Heritage*.

Persons desiring to be credentialed by the AG should review the General Council Bylaws, Article VII, “Ministry,” and apply to the appropriate district council at the outset of their educational program.

Local AG congregations have the prerogative of calling their own ministers. AGTS does provide resume guidance and referral services through its Development and Alumni Office.

Transfer Credit (Advanced Standing)

Requests for advanced standing or transfer credit must be submitted with official transcripts and course descriptions to the registrar when applying for admission.

From Other Graduate Schools

Advanced standing may be granted for approved courses completed at accredited graduate institutions other than AGTS. Advanced standing is interpreted as those courses brought in at the beginning of the program.

Concurrent enrollment in other graduate institutions for the purpose of transferring credits into the AGTS program must be approved in advance by the AGTS academic dean (contact the Registrar’s Office).

Cumulative advanced standing credits may not exceed two-thirds of the M.Div., one-half of the professional M.A., nor one-third of the academic M.A. (See Residency Requirement.)

Courses accepted for advanced standing are expected to be equivalent to the course descriptions in the AGTS catalog and to appropriately fit the degree program being pursued.

The minimum grade acceptable is C from accredited schools (B from nonaccredited schools if approved by the seminary).

From Completed AGTS Degree

Advanced standing may be granted for a degree completed at AGTS to be applied toward another degree at the seminary.

- M.Div. to M.A.: Up to 18 toward the academic M.A.; up to 30 toward the professional M.A.

The courses must be applicable toward the degree being pursued to be approved.

Toward M.Div. Equivalency for Doctoral Studies

For further information, see D.Min., M.Div. Equivalency.

Up to six of advanced standing doctoral credits may be accepted from ATS/CHEA accredited institutions or those recognized by an approved foreign accrediting body. Students must have earned a grade of “B” or higher.

Advanced Standing Limitation

In preparing for graduation, the student must satisfy the residency requirement. The combined total of credits received for advanced standing, master's level program reduction and credit through Distance Learning Courses or directed research cannot exceed the limitations imposed by the residency requirement (see Residency Requirement).

72
Transfer of Credits to Other Institutions

Accredited seminaries and graduate schools normally reciprocate in the transfer of credits that satisfy requirements of their respective degree programs. Students should remember, however, that transfer of credit is always at the discretion of the receiving institution. It is the student’s responsibility to confirm whether or not credits will be accepted by another institution of the student’s choice.
Course Descriptions

Course Numbering

Course descriptions are listed by academic department. The list is subject to change as the seminary deems appropriate.

All course offerings are graduate level with the exception of the 300-400 series.

Resident courses are worth three credits unless stated otherwise in the description. (Continuing education classes are two-three dependent upon module format.)

Each course is designated by a letter-number combination (e.g., BNT 533). The letters denote the area of study. When applicable, a fourth letter will be added to the prefix to delineate: “E”—continuing education class; “I”—distance learning; “M”—resident module class.

Cross-listed courses allow the student to select the prefix applicable to the degree pursued.

The course numbers denote the following:
- 300 and 400 series—preparatory courses, no graduate credit granted.
- 500 series—normally a first-year graduate course.
- 600 and 700 series—normally a second or third year graduate course.
- 800 series—master’s level and directed research studies.
- 900 series—doctoral level studies.

Interdisciplinary Studies

The courses which comprise the River component can be registered under HIS (history), THE (theology) or MHT (missions history and theology) designations. Students who foresee future graduate studies in those fields should register for these courses under those respective designations.

BTH/MHT 501 The Mission of God in Biblical and Contemporary Contexts
This introductory course to the River segment of the AGTS curriculum consists of an in depth study of the mission of God, as it is revealed in both the Old and New Testaments. The course will not only examine the text of scripture, but also consider the mission of God in terms of the history, culture and philosophy of the people to whom the mission was delivered, the interpretation of Scripture within the Bible, the progressive development of biblical theology as new cultures and peoples were engaged by Israel and the Church, the modes of mission and ministry which are evidenced in the Bible, and the application of biblical missiology to the contemporary world context.

HIS/MHT/THE 502 Ancient Christianity to the Challenge of Islam (3 credits)
A study of how early Christians perceived the mission of God in the world, involving the examination of the expansion and cultural contexts of ancient Christianity to the eighth century, key personalities, theological and missiological developments, development of the biblical canon, schools of biblical interpretation, liturgies, renewal movements, and
significant challenges to the integrity of the faith. The latter include Gnosticism; doctrinal

Key personalities, theological and missiological developments, schools of biblical interpretation, liturgies and renewal movements receive attention. The course ends with a discussion of contemporary relevance and applications.”

**HIS/MHT/THE 701 Christianity in the Modern and Post-Modern Eras (3 credits)**
A study of how Christians since the seventeenth century have perceived the mission of God in the world, involving the expansion and changing cultural contexts of Christianity from the emergence of the Enlightenment, modernity and post modernity in the West to the global shift of Christianity southward. Key personalities; theological and missiological developments; the interaction of theology with history, hermeneutics, science and philosophy; and renewal movements including evangelicalism and Pentecostalism receive attention. The course ends with a discussion of contemporary relevance and applications.

**Bible and Theology Department**

The Bible is the ultimate authority for evangelical Christians to judge doctrine, experience and practice. Therefore, the study of Scripture occupies a strategic place in the curriculum of the seminary. At the core of the Bible offerings are the biblical theology and biblical exegesis courses which enable students of the Bible at the graduate level to enhance their interpretative skills and to draw out principles applicable to their lives and ministries today.

Systematic and historical theology courses provide the context necessary for developing a truly balanced Pentecostal and Charismatic ministry of the Word.

The Bible and Theology Department seeks to equip both practitioners and academicians to properly handle the Scripture and theology, using all the best tools and resources under the guidance of the Holy Spirit.

The College Work-Study form must be submitted to the Financial Aid Office. If eligible, the student will be notified in an award letter. (See Financial Registration for corroborating information.)
### Entrance and Exit Interviews

Students receiving a Federal Stafford Student Loan, a Federal Unsubsidized Stafford Loan or Perkins Loan are required by the federal government to attend entrance and exit interviews. The entrance interview must occur before receiving any loan funds. The exit interview is required when withdrawing, dropping below half-time or graduating from AGTS. Contact the Financial Aid Office for details.

### Debt Load

The goal of AGTS is to provide financial aid to all students in a fair and equitable way. When borrowing money for a seminary education, AGTS encourages borrowing conservatively so that future plans and opportunities for ministry are not limited or curtailed because of a high debt load.

### Loan Deferments

Student may receive deferments of undergraduate loans while attending AGTS. Federal regulations stipulate specific requirements for eligibility and AGTS serves only as that certifying agent. Please contact the Financial Aid Office for further information.

### Withdrawal and Financial Aid Refund Policy

AGTS abides by the following fair and equitable refund policies for Title IV programs which refunds students for unearned tuition and fees for periods of time if the student withdraws or fails to complete the period of enrollment.

#### Withdrawal Procedure

Students who withdraw from AGTS are required to complete individual *Withdrawal from Class* forms for each course, and the *Withdrawal from seminary* form.

#### Financial Aid Refund Policy

*(Applies only to students receiving federal financial aid who drop to less than half-time status or who totally withdraw from seminary)*

Students who withdraw completely from the seminary or who drop to less than halftime status prior to completing at least 60% of the semester or payment period must repay all of the unearned portion of the federal aid received. The amount of federal aid earned is determined by the number of days enrolled at AGTS within the semester or payment period up to 60% of that semester. The number of days a student is not enrolled equals the unearned portion of the semester or payment period. This amount will be returned to the lender and the student must make arrangements in the Business Office for repayment of these funds. If a student is enrolled for at least 60% of the semester or payment period, he/she has earned 100% of the federal funds received. For detailed information about the Federal Withdrawal Policy, see the Financial Aid Office.
Satisfactory Progress Standards For Financial Aid Recipients

See the current AGTS Student Handbook online at www.agts.edu, for policy on “Satisfactory Progress Standards for Financial Aid Recipients.”
Academic Policies and Procedures

Introduction

While attending AGTS, it will be necessary to become familiar with details and procedures relative to academic policies and procedures for master’s programs.

In the section that follows, some situations have been anticipated and procedures or policies described.

Catalog

When admitted to AGTS, the student is subject to the requirements in the catalog which is current at the time of initial enrollment, rather than the catalog that was current when applying for admission. The catalog is updated annually and published on the internet. The catalog can be downloaded in PDF file or requested in CD or printed formats.

Students who interrupt their studies and are out more than two semesters must formally apply for readmission and may be subject to the requirements of the catalog which is current in the semester when reenrolled.

Student Handbook

Detailed information regarding registration, financial aid, and other academic matters is contained in the resident AGTS Student Handbook (see www.agts.edu).

Nonresident students enrolled in the continuing education program should secure the handbook prepared for them from the Office of Continuing Education.

Fitness For Ministry

As a theological seminary whose primary mission is the preparation of men and women for the service of the Church, AGTS is committed to the personal and professional growth of all students and reserves the right to require the following of all students, either as a part of their classroom experience or as a part of their personal and professional development:

1. The completion of one or more personality and assessment inventories which become a part of the student’s seminary file. These inventories may be utilized in academic, personal, and professional guidance counseling.
2. Periodic reviews of the student’s academic and personal growth may be required to assist in his or her adjustment to seminary life and his or her fitness for ministry as an ordained clergyperson or professional. The student may be required to undergo counseling at his or her own expense or enter into particular growth contracts to address specific fitness for ministry concerns.
3. A final review before graduation may be required to insure that all contractual expectations regarding fitness for ministry have been met.
The seminary reserves the right to suspend a student for a stipulated period of time to address specific emotional and behavioral fitness for ministry issues, or to dismiss the student with no hope of readmission if it is concluded that candidacy for ministry or other helping professions is not viable at this time.

Academic Advisers

The adviser-advisee relationship is important to the seminary's curriculum. Each student will be assigned a faculty adviser. In keeping with the requirements of each program, the adviser assists the student in planning the initial academic program, keeping in mind the student’s background as well as professional goals. The adviser, chairperson, and academic dean will be available for counsel in academic, vocational, and spiritual matters. Each student is responsible for completing the requirements of the degree program maintained by the Registrar’s Office.

Academic Status

A student will remain in good academic standing at the seminary if maintaining a satisfactory grade point average (2.0, M.Div.; 2.5, M.A.; 3.0, D.Min.), meeting financial obligations to the seminary, conducting personal life with spiritual and moral integrity. No student will be considered to have made satisfactory progress when failing or withdrawing from all courses taken in a semester. The administration reserves the right to dismiss any student whose academic, financial, spiritual, moral integrity is unsatisfactory or unacceptable.

Exceptions to Academic Policies

Requests by students for exceptions to academic policies and regulations should first be submitted to the appropriate faculty member, department chairperson, academic dean or the registrar. Requests should be in written form and submitted well in advance of the particular requirement or deadline change requested. In the event the request is a matter that must be determined by the Academic Affairs Committee, the written request should be submitted to the academic dean.

Academic Probation

A student may be admitted to the seminary on academic probation in either of the following circumstances: 1) Due to nonacademic strengths in the applicant's file, the student has been admitted with a low undergraduate grade point average; 2) The student received a baccalaureate degree from a nonaccredited institution. In such cases, the probationary status may be removed upon completion of nine-12 credits with a satisfactory gpa (2.0, M.Div.; 2.5, M.A.; 3.0, D.Min.). The student cannot register for more than 12 credits until satisfactorily completing the probation period.

A student will be placed on academic probation at the conclusion of any semester in which the cumulative grade point average falls below the required grade point necessary to maintain satisfactory academic progress in the degree program being pursued, and will remain on probation as long as the cumulative grade point average remains below the level required. A student may also be placed on probation at the conclusion of any semester.
in which the semester GPA is not earned. In unusual circumstances, the academic dean may, at his discretion, simply issue a letter of warning.

Students who do not raise their cumulative average to the required level or higher by the end of two semesters on academic probation, or do not make a substantial reduction in grade point deficiencies while on probation, will be academically dismissed from the seminary.

The Admissions Committee will consider applications for readmission to the seminary after academic dismissal only if readmission is warranted by exceptional circumstances and reasonable grounds are given for an expectation that the student can remove grade point deficiencies. Such appeals will require the approval of the Admissions Committee and academic dean before the student can be readmitted and register for classes. If approved for readmission, no student will be permitted to enroll until one semester (15 weeks) has elapsed following the student’s dismissal.

Students on academic probation may be required to review employment and other commitments with their academic adviser.

Writing Tutorial Program

If a student presents a consistent pattern of turning in papers that demonstrate insufficient writing skill for graduate-level study, any professor may require him or her to enter the Writing Tutorial Program. In such cases, students will be required to complete a program remediation and pass a writing proficiency exam as determined by the Office of the Academic Dean. A fee of $150 will be charged to their account for the remedial instruction and exam. Student will not be allowed to graduate until they have passed the writing proficiency exam and been officially removed from the Writing Tutorial Program. Students who believe they have been inappropriately placed into the Writing Tutorial Program may file an appeal with the academic dean.

Class Attendance

Each instructor sets class attendance policies as announced in the course syllabus. Barring a serious emergency, credit cannot be granted for courses in which a student has been absent beyond 20% of the class time. The professor’s individual attendance policy may be stricter. Exceeding the absence limits shall be regarded as an unofficial withdrawal and result in a grade of F.

Degree Changes

A student desiring to change to another degree program must first receive counseling from the currently assigned academic adviser. If the degree program is mutually agreed upon, the student must obtain the proper form from the Registrar’s Office and secure the required signatures (fee: $15). If the degree program change is approved, the student must complete all requirements of the new degree program as currently stated in the catalog without course substitutions.

Exception: Students who have been accepted for admission but have not yet registered for classes should submit a written request for a change of degree to the Enrollment Office.
Degree Time Limits

Students are expected to complete the requirements for their degree under the catalog in effect at the time of initial degree candidacy. They may elect to meet modifications in the program announced in subsequent catalogs with the approval of the academic dean.

All requirements for the D.Min. degree must be completed within six years. Requirements for the M.Div. degree must be completed within seven years from the date of initial admission to degree candidacy. Requirements for the Master of Arts degree must be completed within six years. Exception: Active missionaries may complete their degree within 10 years.

Degree Residency Requirement

All degrees require resident studies at AGTS (or, in some cases, an AGTS extension site). Minimal residency requirements, normally at the end of the degree program, are as follows:

- M.Div. one-third of degree program
- M.A. (professional) one-half of degree program
- M.A. (academic) one-half of degree program
- M.A. (continuing education) one-half of degree AGTS branch campus

Registration for Classes

Students must register for classes in the Registrar’s Office on the days and hours designated. Current students should register earlier (see Academic Calendar for dates).

The registration process includes obtaining registration materials, conferring with the faculty adviser, securing approval of course selections, completing financial arrangements, the implementation of the student’s class schedule, and the receiving of student identification materials. Course changes may be made after initial registration (see Course Changes).

Students who have not been formally accepted for admission prior to registration day may be required to register late for classes. Admission clearance must first be secured from the director of enrollment management.

Late Registration

A late registration fee will be assessed to students who are unable to register during the designated registration period. Late students should notify the Registrar’s Office in advance when possible so that special arrangements may be made to register.

Students are not permitted to register for credit in any course after the deadline for each semester or accelerated summer session designated in the calendar.
Course Changes

Students may drop/add courses any time after their initial registration until the semester begins. Course changes will continue to be accepted through the first two weeks of the semester (two to three days for summer sessions and modules). See the calendar for exact dates. In no case will a student be permitted to drop/add courses after the deadline denoted in the academic calendar.

To make a course change, obtain the proper form in the Registrar’s Office, secure the required signatures, and return it to that office. (Fee: $6)

Course Credit

Courses taken in resident study at the seminary are worth three credits unless indicated differently in the course description. Some courses taken through the continuing education program are two credits.

Courses may be audited at one-fourth the tuition rate.

Course Load

The average full-time course load for the master’s programs at AGTS is nine to 12 credits. The maximum full-time resident course loads are as follows: fall or spring semester, 15 credits; first summer session, six credits; second summer session, six credits; post summer session, three credits; or module sessions, six credits. Note: Regardless of the configuration of courses taken, no student may take more than 15 credits per semester.

Students must take a minimum of nine credits to be considered full time. Students working 20 hours or more should not take more than nine credits.

Note: For information regarding the D.Min. program, see Doctor of Ministry, Course Load.

Class Scheduling

Course offerings are presented with flexibility in order to accommodate ministers, missionaries, and persons who cannot arrange their schedules for prolonged periods of time. A 4-4-1-1 calendar year is observed.

The fall and spring semesters consist of 15 weeks each. The summer semester consists of accelerated sessions of varying lengths. (See Academic Calendar for dates.)

Resident classes are usually held throughout the day on Tuesday through Friday and in the evening on Monday, Tuesday and Thursday. Classes may occasionally be scheduled on Mondays or weekends. During the summer sessions, classes meet on Mondays as well.
Withdrawal From Classes

A student who desires to withdraw from any class must secure approval. To withdraw from a class the proper form should be obtained in the Registrar’s Office, the required signatures secured, and the form returned immediately.

Students withdrawing from all courses for which they are enrolled should refer to the procedure for Withdrawal from seminary.

No refund of tuition or fees will be granted after the third week of a semester (three to six days for summer sessions and modules). Students receiving financial aid should refer to Financial Aid Refund Policy.

Grades for official withdrawals will be withdrawn passing or failing. After the eleventh week (third week during five-week summer sessions, first week during two-week session and modules), an automatic grade of WF will be given unless extenuating circumstances warrant special consideration. A nonexcused absence of two consecutive weeks (three days summer sessions and modules) shall be regarded as an unofficial withdrawal and result in a grade of F.

Withdrawal From Seminary

A student who desires to withdraw from seminary must secure a withdrawal form in the Registrar’s Office and schedule an exit interview with the director of spiritual formation prior to completion of the form. Instructions are printed on the form advising the student to file the form with that office after the necessary signatures are obtained. The student’s I.D. card must be returned with the form. Refunds and adjustments to the student’s account are governed by the Financial Information section of the AGTS catalog.

Failure to withdraw officially from seminary will result in automatic failing grades in the courses for which the student is enrolled and possible refusal of reentry.

Official withdrawals are graded the same as withdrawal from classes.

Grading

Grades are issued three times yearly: December for the fall semester, May for spring classes, and August for summer sessions. Master of Arts students are required to maintain a 2.5 cumulative gpa, M.Div. students a 2.0, and D.Min. participants a 3.0. (See Academic Probation.)

Grading System

AGTS uses a 4-point grading scale. Grades are assigned the following numerical values for the purpose of computing the grade point average:

* Affects grade point average

**D.Min. Grading Scale (See Doctor of Ministry, Grading.)**

One credit equals one class hour per week for 15 weeks (summer and accelerated sessions are based on equivalent numbers of contact hours).

**Incomplete Grades**

Students are expected to complete all course work as specified by the instructor by the end of the semester. An incomplete may be given at the option of the instructor and only under extenuating circumstances. In the event the instructor grants a grade of incomplete, he/she will have the option of lowering the final grade for the course one letter grade lower than it would have been had the work been submitted on time.

If an incomplete is received, all course work must be submitted by the date specified by the instructor (not to exceed later than two weeks before the end of the following semester). An automatic grade of failure will be issued if the work is not submitted. No student will be permitted to begin courses in a new semester if carrying more than two incomplete courses. Note: A $30 fee will be charged to the student’s account for every grade change even if the instructor has approved an extension for completing the work. Any exception to the policy will be made by the registrar.
Repeating Courses

When failing a required course (or earning a D in an admission prerequisite course where a C is required), the student may petition the academic dean for approval to repeat the course.

If the course is successfully repeated, the new grade rather than the F (or D) will be used in calculating the student’s gpa. However, the F or D will remain on the transcript.

Transcripts

Official transcripts are issued only upon written authorization by the student. The Registrar’s Office must be notified at least one week in advance if the transcript is to be issued by a given date (fee: $4). Each student receives a complimentary transcript upon graduating. No transcript will be issued for any student indebted to the seminary.

All courses taken at AGTS, including first-year Greek and other prerequisites, are averaged into the student’s grade point average and will appear on the transcript. However, when determining the student’s eligibility for graduation, with regard to the minimum gpa requirement, only those courses applicable toward the student’s degree program will be considered in calculating the gpa.

Graduation Requirements

Students must register for graduation no later than January 31 through the Registrar’s Office.

**Graduation Requirements include the following:**
1. Satisfactorily complete all degree program requirements. *(See Academic Program for exact requirements.)*
2. Maintain a degree grade point average of at least 2.5 (M.A.), 2.0 (M.Div.) or 3.0 (D.Min.) and be a student in good standing at the seminary. *(See Academic Status)*
3. Satisfy specific degree program graduation requirements (e.g., comprehensive examination, analytical reflection paper).
4. A final review before graduation may be required to insure that all contractual expectations regarding fitness for ministry have been met. *(See Fitness for Ministry.)*
5. Receive approval for graduation from the Academic Affairs Committee and Faculty.
6. Attend the commencement exercises (approval to be absent must be secured from the Academic Affairs Committee through the registrar by April 1).

Commencement is held once each year *(See Academic Calendar)* Students completing requirements during the summer months will participate in commencement but will not be eligible to receive recognition for honors until grades are posted in August.

Continuing Education graduates are encouraged to participate in graduation exercises at AGTS. Approval to participate at the extension site where the majority of their course work was completed must be secured through the AGTS Registrar’s Office. Commencement dates will vary according to location.

Students are personally responsible for following the course requirements for timely completion of their
respective degrees and for confirming with the Registrar’s Office to insure that these requirements are satisfied. The requirements are published in the catalog under which the student matriculates or is readmitted. Suggested course-sequencing guides for degree programs are available in each department and utilized at registration. AGTS faculty advisers and staff are available to provide guidance in course scheduling but do not assume final responsibility for each student’s enrollment decisions. The published requirements of each degree prevail except for occasional and appropriate exceptions approved by the academic dean.

The degree earned is recorded on the transcript at the end of the semester in which all the degree requirements are completed. The last day of the semester as indicated by the academic calendar is considered to be the official graduation date. Diplomas will not be distributed prior to commencement (see Tuition and Fees for fee).

**Honors**

**Academic Honors**

**THE FOLLOWING STANDARDS FOR HONORS ARE MAINTAINED:**

- 3.90-4.0  Summa cum laude
- 3.80-3.89  Magna cum laude
- 3.70-3.79  Cum laude

These standards were implemented beginning with the graduating class of 1995. Honors cannot be posted retroactively before that date.

Eligible summer graduates must postpone this honor at commencement until all grades are processed at which time it will be posted on the transcript.

**Honor Society**

A limited number of graduates are elected into the Kappa Delta Chi Honor Society each year by the faculty. (See AGTS Student Handbook for details.)
The Springfield Community

Seminary Location

AGTS is located in the northern section of Springfield, Missouri’s third largest city. The quality of life is bolstered by a cost of living that rates 7.5 points below the national average. The area’s pleasant climate is complemented by its clean air and makes Springfield a desirable place to live.

Located in Ozark Mountain country, Springfield affords an exciting variety of cultural and sporting events, plus a wide range of recreational activities. Six major lakes lie within a short driving distance, providing a comfortable setting for fellowship, relaxation, and renewal.

Seminary Campus

Campus Location

The seminary community enjoys a 58,000 sq. ft. academic building that houses state of the art classrooms, the Cordas C. Burnett Library, computer lab, bookstore, counseling center, William J. Seymour Chapel, Khoo Kay Peng World Prayer Center, and administrative offices. The campus has recently expanded with the acquisition of the historical O’Reilly Gymnasium which is now being utilized by the seminary as a multipurpose activity center. The campus is adjacent to Evangel University on North Glenstone Avenue.

Campus Visits

We welcome prospective students to visit AGTS whenever they are in the area or in the process of deciding where to attend seminary. If the Enrollment Office knows about the visit, they will arrange a tour of the seminary, consultations with faculty, staff and students, attendance in classes of interest, and guest housing. Call 1-800-467-AGTS.

Employment

For students and spouses who are interested in securing either full- or part-time employment while at AGTS, the seminary maintains a list of local employment opportunities which is available upon request. A limited number of jobs are available on campus and students interested in work-study positions should complete the necessary application forms in the Financial Aid Office. There are numerous off-campus employment opportunities and most students and spouses seeking work generally find employment. While the area has slightly lower pay scales compared to some cities, these are usually offset by the lower cost of living.

Housing

The seminary does not own or provide housing, but there are many apartments and houses for rent in the city. The Enrollment Office produces a local housing list for students seeking accommodations. This list is maintained on a regular basis and is available upon request. Students are encouraged not to wait until August to make housing arrangements. Each fall there is an influx of approximately 28,000 students attending 14 educational institutions in the Springfield area that reduces housing availability.
The Seminary Community

Student Life Department

AGTS is more than a “seminary.” It is a “community” of seekers and learners bound together by the common cause of Christ. We recognize that education does not take place exclusively in the classroom and that community life at AGTS enhances the student’s overall seminary experience. Consequently, AGTS takes seriously its role in helping students to be prepared as whole persons who are called to various forms of ministry in the world. The Student Life Department exists to support the student community by providing services, programs and activities which contribute to student development in the social, personal, and spiritual as well as academic areas of life.

Spiritual Formation

Chapel Services

To promote the spiritual life of the community, mid-morning chapel services are held Tuesday through Friday. Faculty, staff, students, and speakers from off-campus contribute to these services which provide the opportunity for corporate worship in the midst of the daily academic activities. At AGTS, we consider these daily chapel gatherings to be a vital aspect of one’s seminary experience for they foster an atmosphere conducive to spiritual growth. While attendance is not required, students are encouraged not to miss these opportunities for spiritual refreshing, encouragement, and growth.

Covenant Groups

The seminary seeks to promote fellowship through community accountability groups. One day each week the chapel hour is reserved for these small groups where students meet together with faculty and administrators for prayer, Bible study, sharing of concerns, and discussion of topics of interest.

Prayer Groups

Various student and faculty prayer groups meet at specific times during the semester—often before classes, during the noon hour, and some evenings. Some pray for the work of God in various locations of the world, others pray for revival and salvation for the lost, and others pray for our seminary community or specific areas of interest.

Chapel Lectureship Series

During the fall and spring semesters special guest lecturers come to the campus to address topics of interest to seminarians. Past lecturers have included:

- Miriam Adeney, “World Christian Connections”
- Len Bartlotti, “The Gift of Apostleship”
- Alice Curtis, Donald Johns, and Bryan Sanders, “Ministry of Conflict Resolution in the Church”
- Richard Dresselhaus, “Ministry, Management, and Mediation”
- Stanley Grenz, “What Does It Mean to Be Trinitarians”
- Paul Hiebert, “Missions”
- Steven Land, “Pentecostal Spirituality and Leadership”
- Sherwood Lingenfelter, “Transforming Culture”
- Frank Macchia, “Life in the Spirit”
Student Organizations

Student Advisory Council
The seminary has an active Student Advisory Council (SAC) elected by the student body annually. The council coordinates projects and activities that enhance student life, oversees a variety of student ministries groups, and serves as a liaison between the student body and faculty and administration. The SAC president serves on the seminary’s Board of Administration.

International Students Association
AGTS is blessed to have students from around the globe studying on our campus. We believe that students from various cultures contribute significantly to the community. The diversity that comes from their experiences enhances our environment of faith and learning. To better serve these students AGTS has an international students association. The objectives of the association are to provide fellowship among AGTS international students, promote international cultural understanding, encourage participation in group activities, and assist new international students in adjusting to seminary life. The Student Life Office coordinates occasional multi-cultural activities to facilitate fellowship for international students.

Women’s Fellowship
The AGTS Women’s Fellowship, Klasis, exists to build friendships among the women in the seminary community and others interested in serving the cause of higher Christian education; to provide programs of enrichment to the members; to facilitate prayer and support groups; and to provide assistance to students and the seminary.

Bookstore
The seminary operates a bookstore which is open Monday through Friday as a service to students, faculty and staff, and others. The Bookstore carries all required textbooks, general books and supplies, logo clothing, and an array of miscellaneous items. Bookstore purchases may be paid with cash, check, credit card or charged to the student’s account. Students automatically receive a discount on most purchases. Each semester textbooks are shelved about one month before classes begin. Book expenses per semester are estimated to be $275, depending upon course load and major. Students are encouraged to expand their personal libraries while at seminary, an investment which will provide rich benefits both now and in the years to come.

Food Services
While AGTS does not provide cafeteria food services, there are many local eating establishments within close proximity to the seminary. In addition, several vending machines and kitchen facilities are provided in the student lounge. One day each month, an informal lunch is held in the student lounge. These community meals do much to foster a wonderful sense of community at the seminary.
Health Insurance

Students are strongly encouraged to make arrangements to provide health insurance coverage for themselves and their families. Policy requires international students to carry health insurance while enrolled at the seminary. Contact the Business Office or the Enrollment Office for further information.

Student Handbook

A student handbook is available to all students and can be accessed on the AGTS website [www.agts.edu]. A copy can be downloaded free of charge in the AGTS computer lab. The handbook provides detailed policies, privileges, and procedures for academic and student life. Updates and revisions to the handbook are made on a regular basis. The monthly campus newsletter, the Communiqué, also serves to keep students informed of updates in procedures and policies.

Lifestyle

As Christians, the seminary strives to maintain high standards of integrity in all areas of life including interpersonal and community relationships, academic work, and ministry. Students, faculty, and staff are expected to live exemplary Christian lives, practicing respect and concern for all people, honesty, appropriate behavior, and wise judgment as outlined in Scripture.

Believing that all persons are created in God’s image and that the body of a believer in Christ is the temple of the Holy Spirit, the seminary interprets the Bible to forbid fornication, adultery, homosexuality, use of pornography, drunkenness, and use of illegal drugs. Seminary policy prohibits the use of alcohol and tobacco while enrolled at AGTS.

Seminary students are expected to conform to these standards, thereby giving evidence of a Christian life and character so as to commend the Gospel, strengthen the Church, and honor the Lord.

Placement Assistance

Faculty and administration frequently work directly with church leaders and graduates in securing professional appointments.

Accommodations For Students With Physical Disabilities

AGTS complies with the regulations of the Rehabilitation Act of 1973, Sec. 504 and the Americans with Disabilities Act of 1990 (ADA). Inquiries or complaints concerning the application of Sec. 504 or the ADA may be referred to the academic dean or the director of student services.

Accommodations For Students With Learning Disabilities

A student with learning disabilities may request academic assistance during their time of study at AGTS. In such cases, the student is required to provide official documentation (medical, educational, etc.) of the disability, along with all records pertaining to academic assistance provided by any previous institution(s). Documentation may be submitted to the director of admissions and records and must be provided at least thirty days prior to the beginning of the semester for which accommodations are requested. After the documentation is reviewed by the administrative committee, the student will be advised of the committee’s determination.

Map to AGTS

We highly recommend that prospective students plan to visit AGTS. A visit allows you to meet our students, faculty and staff, sit in on classes and get a feel for the community. We would be glad to offer tours, set up appointments, send class schedules and even put you up for two nights in the home of a current student. We ask that you provide us with at least two week’s notice if accommodations are desired. To schedule your visit in advance, call us at 800-467-AGTS or 417-268-1000. We look forward to having you on campus.

AGTS is located in Springfield, MO, in the south-central part of the state. Springfield is serviced by its own regional airport and bus terminal. Situated along I-44, Springfield is approximately three hours from the airports of Tulsa, St. Louis and Kansas City. The campus is located on the corner of Glenstone and Division, next to Evangel University. We would be happy to provide you with a complimentary map of the city.
