

2009 Spring Semester Course Offerings

January 2-April 24, 2009

The spring semester begins with orientation and registration on January 2. Classes begin January 5. All courses listed are 3 credits each unless otherwise designated. AGTS reserves right to change schedule. **Note:** The course delivery is more diversified this semester with five 3-credit and two 1-credit courses offered in weekend modules plus five courses during the Spring Study Week. (The total number of courses is similar to previous semesters.) We hope this makes your weekly schedule more flexible, but realize that no format is ideal for everyone.
